Note:

On-Site rates for terminals limited to a radius of 50 miles from service center - additional mileage @ \$10.00/mo. per each 25 mile increment.
On-Site for printers limited to less than 25 miles from service city - additional mileage @ \$10.00/mo. per each 25 mile increment.

- Factory installed options, if desired, must be specified at time of order. No change orders are accepted within 10 days of the scheduled shipping date.
- All prices and rates are subject to change without notice and are subject to Leear Siegler's standard terms and conditions, unless otherwise specified on order.
- All prices are F.O.B. Anaheim, California.
- Equipment normally shipped best way, unless otherwise specified on order. Payment to freighters is customer's responsibility, i.e. freight/collect.
- Supplies and accessories not included in equipment prices must be specified separately on purchase order.
- Ad valorem tax, sales tax, duty and federal/local use tax not included in prices.
- Additional quantity discounts will be quoted on request.
- All Leear Siegler terminals are available with either 115 Volt, 60 Hz or 230 Volt, 50 Hz power supplies (specify at time of order).
- Add \$100 per unit for 230 volt 50 Hz terminals purchased in the United States for resale outside of the United States.

All Leear Siegler terminals are manufactured with a standard color screen. Alternate colors are available as a no-cost option if specified at the time of order. Standard and optional color screens are listed below.
