

COMPANIES AUTHORIZED TO ACT AS HEWLETT-PACKARD INFLUENCER AGENTS

Hewlett-Packard is the contract holder for the WSCA contract. Purchase Orders are to be made out to HP. At the Customer's option, orders may include the name and dealer ID of a Influencer Agent listed below, or to any Influencer Agent. The Influencer Agent may then receive an agent fee from HP. For these orders HP ships the product directly to the Customer, and the Customer pays HP directly. Naming the Influencer Agent in the body of the purchase order as the participating Influencer Agent does not affect the transaction between the Customer and HP nor does it affect the price between HP and Customer. The Customer is not required to work with an Influencer Agent if they choose not to. Customers may choose to have an Influencer Agent review their order prior to final submission, but this is not required.
